AMERICAN BONDS

Frisco Affair Practically Finishing Touch, Admits French Banker.

POINTS TO OTHER CASES

Says There Has Been Bad Luck in the Relations of American Houses and European Financiers.

New York, June 11.-Prince Poins-owski, the well known French banker, open arriving in this country today declared that he believed the St. Louis and San Francisco affair would close the French market to American securi-

he French market to American securiies.

The St. Louis and San Francisco
matter, he declared, "is simply one
more argument against American seurities, and probably one of a brutal
lind, more hrital than the others. I
mink it will shut the French market
American securities.

There has been bad luck in the realians between American finance and
French financiers. There is a sentiment
hat when you issue a paper or when
out issue a statement that it will never
to a week, month or year before it
will he disclaimed. Take the case of the
"arisal Paridic bonds that were sold in
arisa. The bonds had hardly been
sued and the link on them was not dry
when the bankers said 'we have to withtraw the bonds or amend the deed of
rust."

se company."
Continuing, he said that Prench incontrol in the control in the control in the constant
irring up of problems the lost eight
cars. He said these problems have
to been solved, and, but for this,
merica would have received a great
and of European capital.

Banish All Skin Troubles

Remarkable Remedy That Works Wonders Against Eczema and All Rash

Eczema and All Rash

If you have been fighting some blood trubbe, some skin disease, uail it eczema, lapus, psoriasis, malaria, or what you will, there is but one sure, safe way to get rid of it. Ask at any drug store for a 11.00 bottle of S. S. and you are then on the road to health. The action of this remarkable remedy is just as direct, just as positive, just as certain in its influence as that the sun rises in the East. It is one of those rare medical forces which act in the blood with the same degree of certainty that is found in all natural tendencies. The manner in which it dominates and controls the mysterious transference of rich, red, pure arterial blood for the diseased venous blood is marvelous.

Out through every skin pore acids, germs and other blood impurities are forced in the form of invisible vapor. Heneath the skin is a fine net work of nerves, a myraid of them in which S. S. works with unifring energy to prevent the further destructive work of the acids and blood impurities. These are scattered into the velns to be driven from the system. The lurgs breather to on, the liver is atmulated to consume a great proportion of impurities, the stomewhat and intestines cases to convent into the blood stream the force of impurities, the stomewhat and intestines cases to convent into the blood stream the force of the part marshaled into a figurity disease.

There is actively a community anywhere but what has its living example of the wonderfol curuity effects of S. S. Get a bottle of this famous remove peculiar write to The Swift Specific Co. 166 Swift Blogs, Atlanta, Ga. Their medical ishoratory is famous and is conducted by renowned experts in blood and skin diseases.

Banking and Currency Subcommittee Votes for Publicity of Sessions.

BULL MOOSE FOLLOWED

Democrats Placed in Attitude of Agreeing with Resolution of Lindbergh of Minnesota.

Publicity of the deliberations of the Committee on Banking and Currency on the banking and currency revision bill that soon will be transmitted to the House leaders by President Wilson, is practically assured as a result of action taken yesterday by the Bulkley subcommittee on the resolution introduced by Representative Lindbergh. the Bulk Moose member from Minnesota. Hy a unanimous vote, the subcommuttee, of which Representative Bulkley of Chio, is chairman, decided to recommend publicity to the full committee, and there will be publicity unless the committee ignores the action of the subcommittee. The House leaders were thunderstruck when they were informed that Mr. Bulkley and the subcommittee ignores the action of the subcommittee, and there will be publicly unless the committee ignores the action of the subcommittee, and there will be publicly unless the committee ignores the action of the subcommittee. The House leaders were thunderstruck when they were informed that Mr. Bulkley and the subcommittee should be thrown open to the public, especially as it was publicly announced before the subcommittee that Representative Underwood was opposed to such a course.

JURY DEADLOCKED IN POLICE GRAFT CASE

New York, June 11.—To the great surprise of the District Attorney's Office and of the large number of people who crowded into the Supreme Court this afternoon to hear the final arguments in the trial of former Sergt. Peter J. Duffy for bribery, the Jury falled to reach a verdict tonight. The case went to the Jury at 8:56 o'clock this afternoon. At 11 o'clock Justice Goff was informed at his home, where he was waiting for word to come back to court, that feers seemed to be no possibility of agree hent for some time. He directed the Jury be lacked up for the night.

Rodrigues, editor of the Journal de Commerce, of Rio de Janiero, who is a member of the party, acted as interpreter for the visitor.

An inquiry as to public feeling in Brazil on the coffee valorization dispute between the two countries, the special ambassador dismissed by saying that Brazil was content to have the matter in the courts where the United States had taken it. He doubted that the Fanama Canal would be of much material benefit to Brazil, in view of the fact that his country is too far away from it. He expressed a particular interest in the large electrical into far away from it. He spressed a particular interest in the large electrical of educat the United States. Speaking the feel of educations which he intended hast year to express by sending his son, Lauro Muller, St., who is a member of his party, to school here, although he had been prevented from carrying out that plan.

Various members of Fresident Wilson's Cabiet called on Dr. Muller as soon as he arrived at his hotel, and, after his call at the White House, the special ambassador made a trip around Washington by automobile.

Letters from Prominent Druggists addressed to Chas. H. Fletcher.

B. J. Briggs & Ca., of Providence, R. I., may: "We have sold Fietcher's Castoria in our three stores for the past twenty years and consider it one of the best preparations on the market."

E. W. Stucky, of Indianapolis, Ind., mays: "To say that we have recommended and sold your Castoria for years is the best endorsement we can possibly give any preparation. It is surely full of merit and worthy of recommendation."

Henry R. Gray, of Montreal, Que., says: "I would may that your Castoria for children is in large demand and that it gives general satisfaction. Not being a secret nestrum many medical men order it when circum-stances indicate the use of such a preparation."

W. G. Marshell, of Cleveland, Chio, says: "We have found your Castoria to be not only one of the best sellers in the medicine market, but a preparation that gives almost universal satisfaction; in fact we cannot call having had a single complaint from any of our customers who

Owens & Minor Drug Co., of Richmond, Va., says: "It is with pleasure that we lend our endorsement to Castoria, a preparation of proven merit. During our long experience in the drug business we have had abundant occasion to note the popularity of the genuine Fletcher's Castoria, which we unhealtatingly recommend."

Brannen & Anthony of Atlanta, Ga., say: "No doubt if we were called

upon to state positively what medicine we had sold for the greatest length of time, the greatest number of bottles sold, and the most satisfactory preparation to us and also to the customer, we feel that we could safely and conscientiously say Fletcher's Castoria."

The Lànd of the Sky To those who have never visited Western North Carolina, a first trip brings astonishment and delight.

It is hard to realize that within a day's journey from eastern, southern or middlewestern cities, is the most America.

An elevated plateau, compris-ing 30,000 square miles, with lofty mountain peaks—the highest east of the Rockies—piercing the wonder-ful sapphire blue of the southern skies. Beautiful lakes and waterfalls, luxurious hotels, golf, boating, camping and other out-door pastimes, together with the most heathful of climates, rich in ozone and the delightful fragrance of pine forests.

If you haven't been to "The Land of the Sky," you should go this summer. If you have been, go again and visit some new spot you have not yet enjoyed. Some of the popular resorts are Asheville, Black Mountain, Hendersonville, Brevard, Lake Toxaway, Saluda, Waynewille, Tryon, Flat Rock and Hot Springs, N. C. You reach them on the palatial through trains of the

COUTHERN RAILWAY Premier Carrier of the South

For tickets and information apply to Dep't. A. L S. BROWN, General Agent, 705 Fifteenth St. N. W., Washin Write for illustrated booklet on the "The Land of the Sky." Specially reduced fares for summer. Liberal stop-overs. Besides America's most charming all-year-round vacation district, Southern Railway System embraces territory offering unusually remunerative investment in fruit culture, farming and manufacturing.
